President Chris Grayson called the meeting to order at 6:35 pm. The minutes of the April meeting were approved without correction

Treasurer David Trotter gave the financial report, which was accepted without any changes.

Under old business Chris Grayson gave a brief summary of the Pirate Pride All Sports Recognition Dinner and Auction. He said that the event raised close to \$15,000. He also said the many people in the community were pleased with how everything turned out.

New Business:

Chris Grayson brought up an idea to purchase a set of golf clubs for the boys and girls golf teams. These clubs could be used by an athlete that might not otherwise have the means to participate, and then be returned at the end of the season. It was determined that more time would be needed to look into prices before the purchase would be voted on.

Chris Grayson talked about the idea of selling Apple Butter at the Bicentennial Celebration for an Amish Recipe Company. The booster club would make \$1.85 per jar sold.

Chris Grayson also discussed the possibility of getting a booth at Greenway Park during Founder's Day. It was determined that it would not be necessary this year.

With no further business the meeting was adjourned at 7:15 pm
