Old Business:

Pirate Pride Night for Boys Basketball has been re-scheduled due to the bad weather. It will now be on Saturday, February 21, 2009.

We will follow the same guidelines as planned.

New Business:

Sharon Donahue will be out starting January 6, 2009. We will need to find a replacement for here while she is out. Steve Coyne and Carl Atkins have volunteered to take over while she is out.

Dick Johnson has announced his retirement at the end of the school year. Pirate Pride will do something small to recognize his commitment to CHS.

The Mayors office will hold 2 meetings on January 26, 2009 and introduce to parents the new project, "One to One". It is a program that places computers into the hands of every student from grades 6 – 12.

We have added a new Baseball coach to this year's team. Brian James a CHS graduate will now be an assistant coach to Ricky Romans. Ricky Romans has suggested we do something similar to Charlestown Pirate Pride Night for Baseball. He would like to look at an alumni game of some kind.

The date for the All Sports Banquet has been moved up one week as there is a conflict with the Prom. It will now be on Sunday April 19, 2009. The cost for tickets will be \$5.00.

We will start to work on the Sponsors list in our February meeting.
